Foreword

To all the friends we leave behind
We hope all of you will find
The wisdom that we sought,
Once had and then forgot.

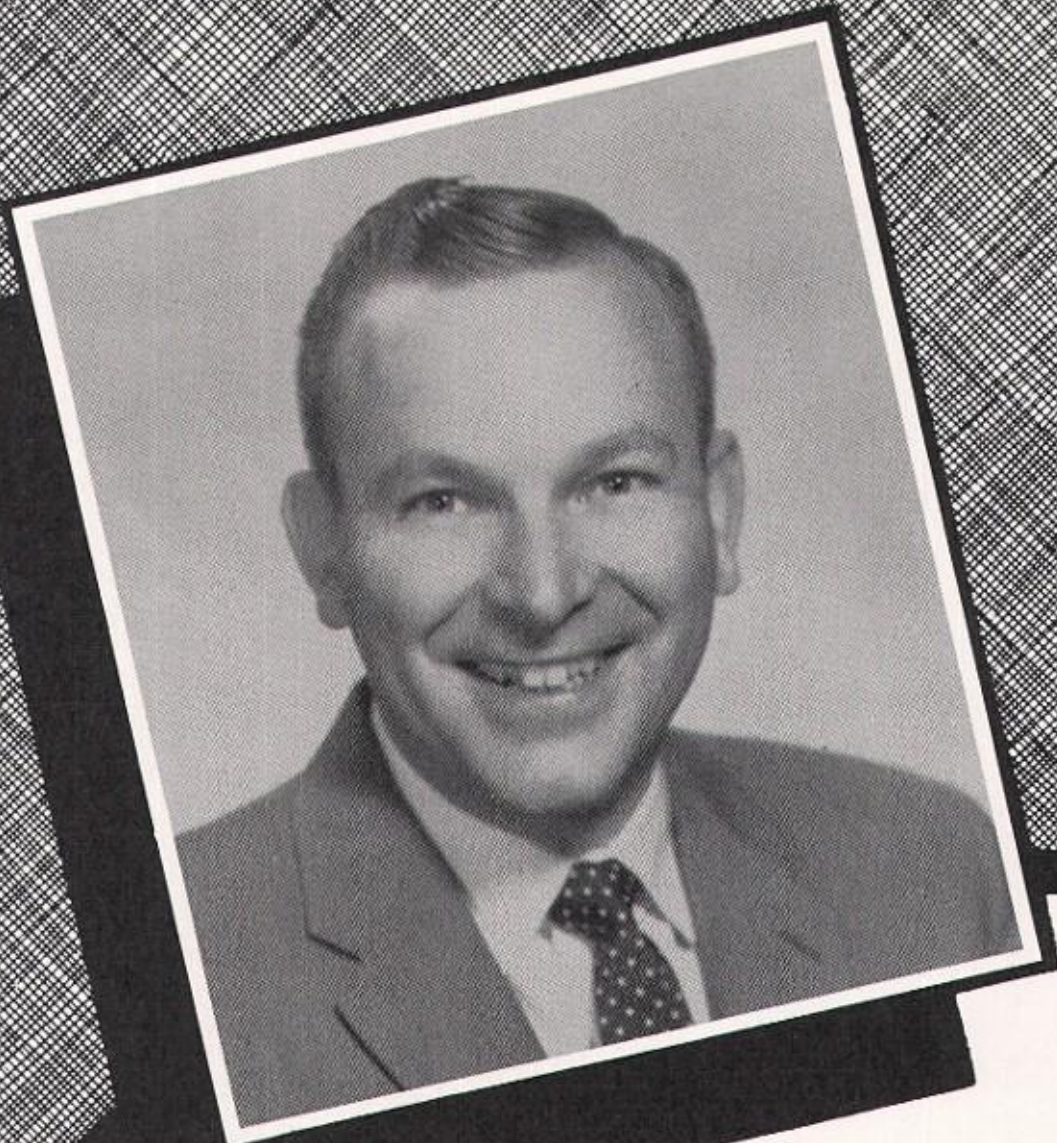

On down through the ages
Many memories find in these pages,
Memories so fond and true
Of the friends held dear to you.

It is with great respect and sincere gratitude that we, the class of '60, dedicate our yearbook to Mrs. Mable VanHaverbeke. As our class sponsor for two years, she has helped us with new ideas and a sincere interest in our activities. We always found her on hand to help organize and carry out class projects. Her time and efforts were given freely in directing our Senior play and chaperoning class field trips.

As our teacher and friend, Mrs. "Van" took a special interest in each individual and tried her best to lead each of us into adulthood.

With deep admiration and honor we express our appreciation to Mrs. "Van" for the many things she has done for us. As we look back on our high school years, she will be a part of our fondest memories.

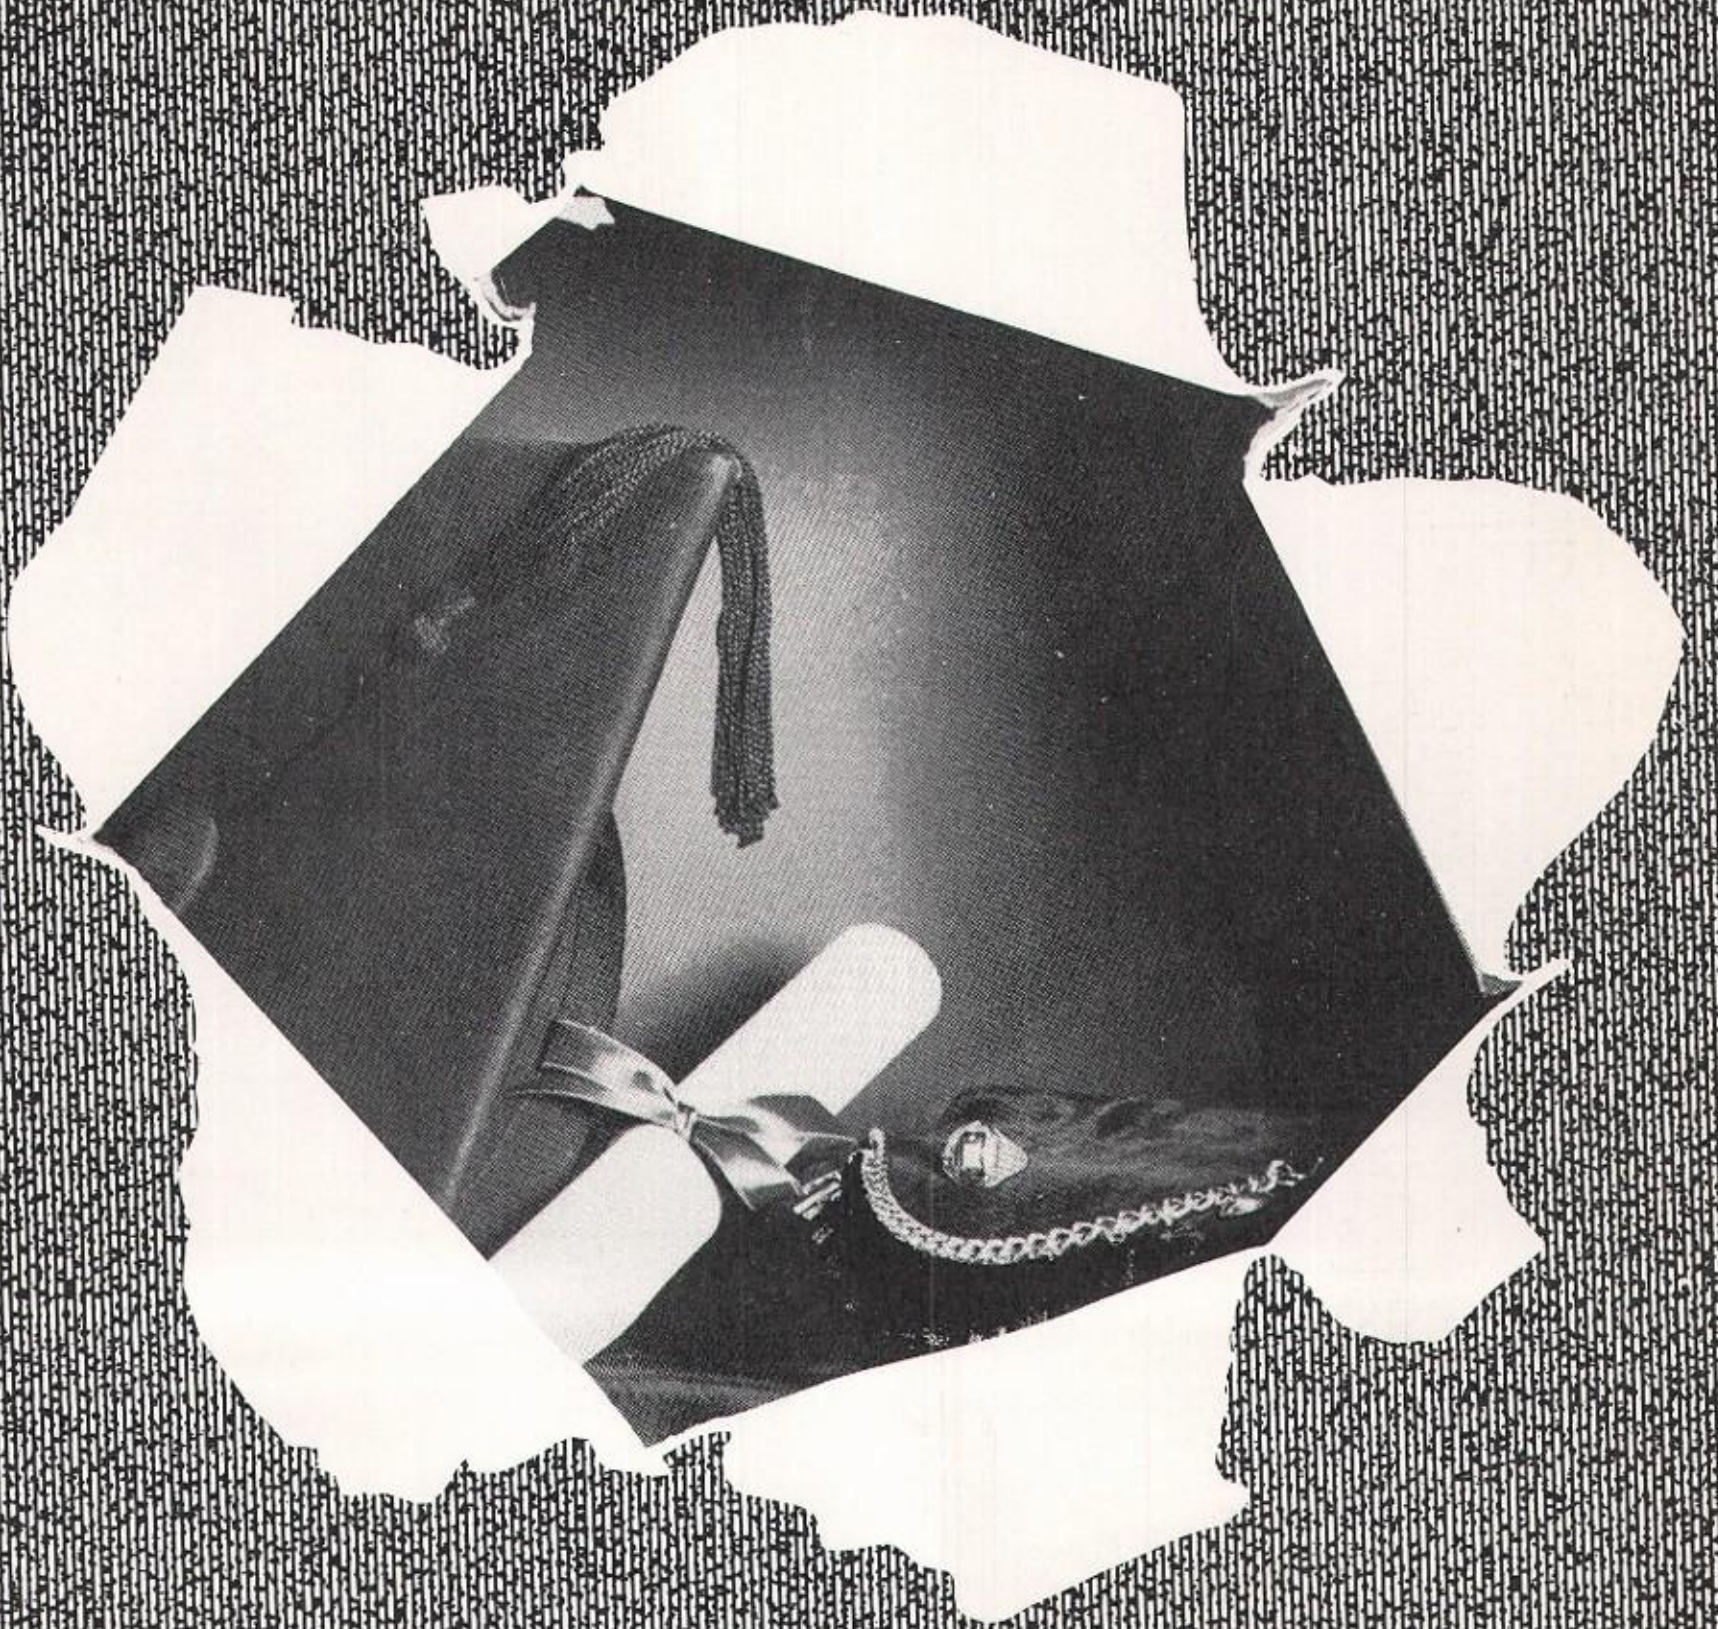

To you, the class of 1960, my sincere congratulations. You have successfully completed your high school course. However, this is far from an end in itself. It is but a stepping stone in the never-ending process of learning.

We at Mission High hope that the training and inspiration you have received during the past four years will enable you to take advantage of your coming opportunities. Keep in mind that there are always opportunities available to those seeking them. With ambition, determination and a persistent effort you have no fear of the future. The future is what you make it!

May the best in life be yours.

Class advisors, Mrs. Van Haverbeke and Mr. Fitschen, accept Christmas gifts from the class.

In September, 1959, the Seniors entered Mission High, three years after their first shy look at high school life. This year their outlook was entirely new as they realized that they were entering their final year at M. H. S.

During this year the class enjoyed many experiences. On November 20, 1959, they presented their humorous class play, "Rest Assured," directed by Mrs. Van Haverbeke.

A K.Q.T.E. Radio sock hop was presented by the Seniors on December 19, and a record crowd attended. During the Christmas vacation the class got together for a hayride and dance. As they rode around singing carols, they knew they'd look back on this occasion with pleasure.

In January, the Seniors won the high school polio drive with the most contributions toward that worthy cause.

The Seniors were guests of the Juniors at the Prom on April 2 and the banquet on May 12.

All of these, together with field trips, sock hops, and many other things helped to make the Seniors' last year a pleasant memory. They were not forgotten with the graduation exercises on May 23; they are treasured experiences that will follow each person into the future.

Barb,

As everyone else says,
I hope you have a
lot of luck in the
future. Take it easy
on all the tall-good-
looking boys.

Love,
Dianna

Barb,

Still all I have to
say is take it easy now
that you're out of school.
I'd say you were a nice
girl but with a sis
like Dianna how could
you be. (Laugh)

Love
Linda

Dear Barb,
Well here goes

I can start by tell-
ing you a little about

don't be afraid to
ask or come and
talk to me, I have

Be good and

If your high
school life is any
indication of what your future
shall be, you will go along ways.
Best of luck to a good friend.
